Five bad boys with the power to rock you
Blowing your mind so you gotta get into
Five, whatcha waiting
Four, if you wanna
Three, three
Two, two
One let's do it

(Welcome to tonight's game
and if you've just tuned in these five guys
have been taking it to the rim
slam dunking the whole night
I'm feeling really great, how about you John?
Hit me)

Do you wanna get freaky
When the five of us make one
You gotta push the good vibe on
If you really wanna feel it
Got da flava in my song
But I really need to know

Bridge:

Do you wanna get down
Do you wanna get funky
Do you wanna get down
Get on down

Chorus:

Slam dunk da funk, put it up
(If you got that feeling)
Slam dunk da funk, put it up
(If you got that feeling)
Slam dunk da funk, put it up
(If you got that feeling)
Slam dunk da funk, put it up (put it up)

You gotta shoot, pass, slam baby time to set it off
I'll be up, up away, above the rim and hook a shot
Ally oop, baby, whoop, there it is and now I got ya
Three seconds left, it's just enough for me to rock ya
Now check it, how I flip it rock a beat cos
I get with it and everybody wants to be the man
With a hey, yippee yo yippee four quarter slam
Everybody grab a party and just get on down

(Bridge)
