

You have it all  
The ceiling cracks  
And you fly  
But I fall again  
Please say goodbye  
Take your love out of me  
And don't ask me why  
I'm not your friend  
Trying to stand  
But you bend me again  
What's up with that  
Takes more then this for me to take off my hat

And that's the difference  
Between you and me  
I sleep to dream  
I sleep to dream

And that's the difference  
Between you and me  
I sleep to dream  
I sleep to dream

So you kissed me now  
This face doesn't seem so great afterall  
Please let me go  
I need to hear myself think  
I only hear the water flow  
I'm not your friend  
Trying to stand  
But you bend me again  
What's up with that  
Takes more then this for me  
To take off my hat

And that's the difference  
Between you and me  
I sleep to dream  
I sleep to dream

And that's the difference  
Between you and me  
I sleep to dream  
I sleep to dream

And that's the difference  
Between you and me  
I sleep to dream  
I sleep to dream

I'm not your friend  
Trying to stand  
But you bend me again  
What's up with that  
Takes more then this  
For me to take off my hat  
Takes more then this  
For me to take off my hat  
Takes more then this  
For me to take off my hat

And that's the difference  
Between you and me  
I sleep to dream  
I sleep to dream  
(x3)

Yea that's the difference  
Between you and me...
