Title: Slit My Wrist

download from: <http://www.lyricsdisc.com>

Paranormal chicken geek
Drugged up superstar fiend
Genderbending galactic freak
Sci-fi lobotomy

Exorcism, circumcision
Horrifying gruesome scene
Bloodsuckers, a motherfucking
Brain dead neurotic fiend

[chorus]
Sick, get sick on this
motherfuckers make me
Wanna slit my wrist
Sick, so sick of this
slit my wrists!

A basketcase stitched-up face
Be all you can be
Chiller, killer, monster thriller
Trigger happy zombie

Radiation, masturbation
Infect the other human beings
Supersonic, chronic, vomit
Barbed wire cock ring
[chorus]

Murder, murder
Murder, murder, yes indeed
K.I.L.L.I.N.G.
Murder, murder, yes indeed
K.I.L.L.I.N.G.
Murder, murder, yes indeed
K.I.L.L.I.N.G.
Murder, murder, yes indeed
K.I.L.L.I.N.G.
[chorus]
