I See you across the room  
I had to come get at you  
You want it  
Model Chick  
Ooo you done true so I  
Stepped to the DJ quick

Just give me the chance  
To put my hands  
On you

Made the DJ slow it down  
So I can put my arms around you  
Had to get you next to me  
Cause we about to be  
Doing our thing  
Slow dancing  
Bumping and grinding and maybe (maybe)  
Romancing  
So into you  
Not, trancin
