Title: So Far, So Bad

download from: <http://www.lyricsdisc.com>

We thought we'd write a song about all of the problems inherent in the industry, it was going to be an exposé written in unblemished symmetry. We were going to have our glorious
Don't worry what this song would say, you'll never hear it anyway. They won't play this song on the radio, so far, so bad, that's how it goes. They'll pull our records from the shelves
The rhyme scheme to this song was mostly flawless, it might have made good poetry. It could have bridged the gap between the classes, and overthrown the bourgeoisie. It made
I thought I'd write an epiphany, how something good is changing me, but I guess we dodged some passing fad, it looks like it's so far, so bad. This song is rad. You could ask your
