Title: So Fine

download from: <http://www.lyricsdisc.com>

She's so fine, fine, fine
She's a dime, dime, dime
She's so fine, fine, fine
She's all mine, mine, mine

She can make you lose control, but I'm a keep it on the low
Just to see her pretty face makes you want her (want her)
Can't explain the way it feels, but I know the feelings real
I can't wait to get her home so I can love her

She's so fine, fine, fine
She's a dime, dime, dime
She's so fine, fine, fine
She's all mine, mine, mine

She's the only one for me, treat her like she's supposed to be
Love her from her head to toe, she's my boo, girl (boo girl)
Give her everything she likes
