

You could have kissed me  
Like this wasn't gonna last  
Kept me from saying  
Something I'll never take back  
You could've held me  
Like there was no chance  
Of me waking up where I am  
You could have stopped short of  
Every dream I've ever had

So help me girl you've gone too far  
It's way too late to save my heart  
The way it feels each time we touch  
I know I've never been so loved

And I can't help myself  
So help me girl, you've got to help me girl

You had to be there when that old sun came up  
Making last night feel like a vision of things yet to come  
You just had to hold me like nobody else  
Now look what you've gone and done  
You had to love me  
Till I just can't get enough, please, please

So help me girl, you've gone too far  
It's way too late to save my heart  
The way it feels, each time we touch  
I know I've never been so loved and I can't help myself  
So help me girl  
The way it feels each time we touch  
I know I've never been so loved  
And I can't help myself  
I can't help myself, I can't help myself so help me girl

You've got to help me girl  
Cause I'm falling down  
I'm falling down  
You got to help me this time  
Cause I'm falling down  
Falling down  
You got to see my love  
You've got to help me now ... falling down  
It's the emptiness I'm feeling inside  
You've to save me girl
