---

With every passing moment  
Thoughts of you run through my head  
Everytime that I'm near you  
I realize that your heaven sent

I think your truly something special  
Just what my dreams are really made of  
Let's stay together you and me boy  
There's noone like you around  
Oh Baby

I really like what you've done to me  
I can't really explain it, I'm so into you

[2x]

It could be the way that you hold me  
It could be the things that you say  
Oh I'm not to sure what is is boy  
But I know I like feeling this way

I think your truly something special  
Just what my dreams are really made of  
Let's stay together you and me boy  
There's noone like you around  
Oh Baby

I really like what you've done to me  
I can't really explain it, I'm so into you  
[2x]

Oh I really like  
What I feel when I'm with you  
Your a dream come true  
Don't you ever leave my side  
Cuz it feels so right

I really like what you've done to me  
I can't really explain it, I'm so into you
