

[Verse 1]

Hey Baby,
Tell me your name and tell me where your from
Give me your number let me call you up
Some time girl i think your so fine
And i thought maybe
We could hook-up and go out on the town
Hop in my ride and let me show you round, my hood
I think we on the first of something good

[pre-chorus]

I don't wanna waste your time
I don't wanna pressure you
I really wanna get next to you
Cause baby you

[chorus][3x]

Baby you so right for me
Baby you so fly to me
Baby you and I could be
Ment to be
Can't you see, so right for me

[Verse 2]

Can't blame you
Overprotected of an open heart
Looking for a reason to make this hard
Cause I know what you want
Sweet lady, give me a chance
and Ima prove you wrong
I got a feeling we can get along just fine
Never mind the guys that come with different lines

[pre-chorus]

See I don't wanna waste your time
I don't wanna pressure you
I really wanna get next to you
Cause baby you

[Chorus]

Baby you so right for me
Baby you so fly to me
Baby you and I could be
Ment to be
Can't you see, so right for me

[Verse 3]

Girl I'm telling you I need a chance baby
The other girls I know are all the same
I really need someone to know me
Love me, touch me oh girl
Like you baby, I know you meet a lot of guys this way, yea

[pre-chorus]

See I don't wanna waste your time
I don't wanna pressure you
I really wanna get next to you
Cause baby you

[Chorus]

Baby you so right for me
Baby you so fly to me
Baby you and I could be
Ment to be
Can't you see, so right for me
