Title: Soft Shoulders

download from: <http://www.lyricsdisc.com>

the more I move,
the worse it gets;
the more I move,
the more I sweat.

it's getting harder
to face the light.
it's getting harder
to fight the fight.

so many big ideas,
so many big mistakes.
I should shake my fear -
erase my face.

[chorus:]
all I see -
soft shoulders rising.
all I see -
soft shoulders fall.

it's getting harder
to seem that easy.
it's getting harder
to feel that free.

[chorus]

it's getting harder
to face the light.
it's getting harder
to fight the fight.

[chorus x2]
