---

Would you like to fight inna Soho ?  
But do you know what fightings is ? YO! YO!  
Cause I'm the " King of Lust and Groove "  
I hate mercy even in the movies.

I'm a real defender of Soho  
But I haven't that gin of mine. YO! YO!  
You are the King of Lust - she said  
Want you to be my man.

I'm lonely

Have you ever been a " Nasty Man " - Never  
If you have, ask me a favour.  
I'm bad and cruel - I say  
I'll become a monster one day

I Would like to fight inna Soho  
And I know what fighting is YO YO  
I'm the King Of Lust and Groove  
I hate mercy even in the movies

I'm lonely day by day
