Title: Soldier boy

---

I'm a soldier boy  
Standing on the battlefield  
And i hear the bugle call  
Calling me to my destiny  
All around me is people falling down.

I'm a soldier boy  
Standing on the battlefield  
Oh! the sky is red overhead  
Burns my eyes like a fireball  
All around me is people falling down.

I'm a soldier boy  
Standing on the battlefield.
