Title: Somebody else's song

download from: <http://www.lyricsdisc.com>

Can't change this feeling I'm way out of touch
can't change this meaning it means too much
never been this lonely never felt so good
can't be the only one misunderstood

I remind myself of somebody else
feeling like I'm chasing
like I'm facing myself alone
I've got somebody else's thoughts in my head

I want some of my own
I want some of my own
I want some of my own

can you see me up here
would you bring me back down
cause I've been living to see my fears
as they fall to the ground

I remind myself of somebody else
feeling like I'm chasing
like I'm facing myself alone
I've got somebody else's thoughts in my head

I want some of my own
I want some of my own
I want some of my own

am I hiding behind my doubts
are they hiding behind me
closer to finding out
it doesn't mean anything

I remind myself of somebody else
feeling like I'm chasing
like I'm facing myself alone
I've got somebody else's thoughts in my head

I want some of my own
I want some of my own
I want some of my own
