

Breaking my back just to know your name
Seventeen tracks and I've had it with this game
I'm breaking my back just to know your name
But heaven ain't close in a place like this
Anything goes but don't blink you might miss

'Cause heaven ain't close in a place like this
I said heaven ain't close in a place like this
Bring it back down, bring it back down tonight (woohoo)hoo
Never thought I'd let a rumour ruin in my moonlight

somebody told me
that You had a boyfriend who looked like a girlfriend
That I had in February of last year
It's not confidential
I've got potential

Ready let's roll onto something new
Taking it's toll that I'm leaving without you
Ready let's roll onto something new
But heaven ain't close in a place like this
Anything goes but don't blink you might miss

'Cause heaven ain't close in a place like this
I said heaven ain't close in a place like this
Bring it back down, bring it back down tonight (woohoo)hoo
Never thought I'd let a rumour ruin in my moonlight

somebody told me
that You had a boyfriend who looked like a girlfriend
That I had in February of last year
It's not confidential
I've got potential a rushin' a rushin' around

Pace yourself for me
I said maybe baby please
But I just don't know now (maybe baby please)
When all I wanna do is try

somebody told me
that You had a boyfriend who looked like a girlfriend
That I had in February of last year
It's not confidential
I've got potential
A rushin a rushin around
