

It's been a long time coming
It's been a long time coming
It's been a long time coming

I don't know where to begin
I don't know how to get out there...to see you
I don't know where to dig in
I don't know how to get in there...to feel you

It's been too long and I'm about to be in time for me
It's been too long and I'm in time, I'm in time, hey yeah

Baby there's something about you that
I can hold on to I'm
Going to hold on to that
Baby there's something about you that
I can hold on to I'm
Going to hold on to that

Well, I never thought I would win
I never thought much about that
(It's been a long time coming)
I never stopped to begin
Thinking about the process
(It's been a long time coming)

It's been too long and I'm about to be in time for me
It's been too long and I'm in time, yeah, I'm in time

Baby there's something about you that
I can hold on to I'm
Going to hold on to that
Baby there's something about you that
I can hold on to I'm
Going to hold on to that

And I'm going to be there...
Be there... alright... alright...
Yeah, yeah, yeah, yeah
Hoo-hoo, hoo, hoo, hoo

Well, I don't know where to begin
I don't know how to get out there to see you

Baby there's something about you that
I can hold on to I'm
Going to hold on to that
Baby there's something about you that
I can hold on to I'm
Going to hold on to that

Baby there's something about you that
I can hold on to I'm
Going to hold on to that
Baby there's something about you that
I can hold on to I'm
Going to hold on to that

It's been a long time coming
It's been a long time coming, yeah
It's been a long time coming
It's been a long time coming, yeah
It's been a long time coming
It's been a long time coming, yeah
It's been a long time coming
I'm going to hold on to that
