

We had a life we had a love  
But you don't know what you've got til you lose it  
Well that was then and this is now  
And I want you back  
How many times can I say I'm sorry - yes I'm sorry

How can something so good go so bad  
How can something so right go so wrong  
I don't know I don't have all the answers  
But I want you back  
How many times can I say I'm sorry

You know you can run and you can hide  
But I'm not leaving less you come with me  
We've had our problems but I'm on your side  
You're all I need please believe in me

I only wanted you as someone to love  
But something happened on the way to heaven  
It got a hold of me and wouldn't let go  
And I want you back  
How many times can I say I'm sorry - yes I'm sorry

You know you can run and you can hide  
But I'm not leaving less you come with me  
We've had our problems but I'm on your side  
You're all I need please believe me

You can run and you can hide  
But I'm not leaving 'til it's all over  
We've had our problems but I'm on your side  
You're all I need let me show you

They say you can't take it with you when you go  
And I believe it  
But taking what I've got or being  
Here with you  
You know I'd rather leave it

We had a life we had a love  
But you don't know what you've got til you lose it  
Well that was then and this is now  
And I want you back  
How many times can I say I'm sorry - yes I'm sorry

You know you can run and you can hide  
But I'm not leaving less you come with me  
We've had our problems but I'm on your side  
You're all I need please believe me

You can run and you can hide  
But I'm not leaving 'til it's all over  
We've had our problems but I'm on your side  
You're all I need please believe in me
