Title: Somewhere Between

---

Somewhere between your heart and mine there's a window that I can't see through  
There's a wall so high it reaches the sky somewhere between me and you

I love you so much I can't let you go and sometimes I believe you love me  
But somewhere between your heart and mine there's a door without any key  
Somewhere between...

[ piano ]

Somewhere between your heart and mine there's a love I can't understand  
It's there for a while then it fades like a smile and I'm left in the middle again  
Somewhere between...
