War world now. Hear the song of sirens.  
The silence won't be for long.  
Hear the digging. All grave, too soon?  
Earth Pompeii. The second moon.  
BEACHWORLD... AND THE SONG OF SIRENS  
TO THE BEACHWORLD... AND THE SONG OF SIRENS.  
Kill all air. Smoke the ground.  
Neverflow. Bleeding trees.  
End all time. Dismembered sun.  
Living death  
AND TO THE BEACHWORLD... THE SONG OF SIRENS  
TO THE BEACHWORLD... AND THE SONG OF SIRENS.  
War world now...
