

i just can't understand why you do what you do.  
walk around with textbook.  
science built up inside your head through and through.  
don't care about anything but your media, your television.  
can't even hear the truth yelled in your ear again and again.  
your just a spiritual small guy, in a spiritual small guy world.  
now you can't see the light.  
don't be a spiritual "white lie" guy.  
your just a spiritual small guy, in a spiritual small guy world.  
now you can't see the light.  
don't be a spiritual "white lie" guy. go!  
lying to yourself day after day.  
up and down, it's the same old stuff.  
different name, different flavor, same boring old lie.  
your being force fed, tied down.  
allowing yourself no room for growth.  
when will you be free?  
when will you be free?  
yeah. your just a spiritual small guy,  
in a spiritual small guy world.  
now you can't see the light.  
don't be a spiritual "white lie" guy.  
your just a spiritual small guy, in a spiritual small guy world.  
now you can't see the light.  
don't be a spiritual "white lie" guy.  
pick it up.  
your innocents will get you.  
your apathy will get you.  
your arrogance will get you.  
your lack of faith will get you.  
your \_\_\_\_\_ will get you.  
your \_\_\_\_\_ will get you.  
your \_\_\_\_\_ will get you.  
dishonesty will get you, get you, get you nowhere.  
you go home after a 9 to 5 job.  
sit on your nice reclining easy chair.  
turn on the tube.  
watch like i don't know... channel 4... channel 5..  
some news broker that's all biased... sensationalism...  
its all a bunch of garbage and you're polluting your mind.  
why is it so biased?  
think for yourself sometime.  
i just took a \_\_\_\_.
