

I know I'll never be good enough  
And I don't care 'cause I'm never giving up  
How does it feel when you can't hold your own? And  
How does it feel desperation has left you alone?  
It feels as if this burden is all I've ever known  
And the weight pushing down on me continues to grow  
I know I'll never be good enough  
And I don't care 'cause I'm never giving up  
I've live my life on my own terms  
Gaining ground from everything I've learned  
How does it feel when you can't hold your own? And  
How does it feel desperation has left you alone?  
It feels as if this burden is all I've ever known  
And the weight pushing down on me continues to grow  
I know I'll never be good enough  
And I don't care 'cause I'm never giving up  
This is where we bury all that drags us down  
This is where we break free to stand on our own ground  
This is where we bury all that drags us down This is where we break free to stand on our own ground.
