I stole a ride  
On a passing star  
Not knowing where I was going  
How near or how far

Through years of light  
Lands of future and past  
Until the heavenly gates  
Were sighted at last

Starrider, rider, rider  
Take me to the stars  
Starrider, rider, rider  
Show me where you are

Northern lights flashed by  
And then they were gone  
And as old stars would die  
So the new ones were born

And ever on I sailed  
Celestial ways  
And in the light of my years  
Shone the rest of my days

Speed increasing, all control is in the hands of those who know  
Will they help us grow, to one day be starriders?

Starrider, rider, rider  
Show me where you are  
Starrider, rider, rider  
Take me to the stars

Speed increasing, all control is in the hands of those who know  
Will they help us grow, to one day be starriders?
