Yesterday you were on my back just to get my time.  
I guess it's not as precious as it seems.  
Because I found the time for hangin out and talkin on the phone.  
What should i expect, now that my time is free and you're nowhere to be found.  
Next time i'll try, for the first time in my life.  
It won't pass me by.  
Procrastinate it can wait, i put it off. let's start today my room's a mess and i can't get dressed.  
I gotta be out by eight o'clock.  
Deep inside i know the answer.  
Well there's no time like the present and i'd like to hang out but who doesn't.  
I've made enough mistakes for this lifetime.  
Now i'm here to make amends.  
Next time i'll try, for the first time in my life.  
It won't pass me by.  
Procrastinate it can wait, i put it off. start! stop!
