

(Vassal Benford, Kathy Wakefield)

I, I know my love for you  
Was more than I should ever let my heart decide  
So I, I tried to hide  
Behind some other lovers when we said goodbye

So I look far and wide for somebody new  
Just to prove that it was over  
Darling and I try forgetting you And fall for someone new  
But I was only fooling myself  
'Cause right now

Right now I'm still in love with you  
And I don't know what to do  
I know it drives me crazy and makes my mind so hazy  
I know it's over but I'm still in love with you

Brian:

I, I think about your love  
Your lips so close to mine remind me of what I miss  
Oh one one love in time  
Forever we were searching for the love we missed  
So I look far and wide for somebody new  
Just to prove that it was over  
Darling and try forgetting you  
And fall for someone new  
(baby I'm falling)  
But I was only fooling myself

I'm still

Right now I'm still in love with you  
And I don't know what to do  
I know it drives me crazy and makes my mind so hazy  
I know it's over but I'm still in love with you

Brian: This love

Debelah: This love

Brian: Of mine

Both: If I could turn back the hands of time

Brian: You know that I would

Debelah: Baby I would

Brian: To have

Debelah: To have

Brian: your love

Debelah: your love

Both: I would do

Brian: anything

Debelah: anything

Brian: anything

Debelah: anything

Both: to spend one night with you, but right now

Debelah: but right now

(repeat chorus till fade)

Brian: Still in love

Debelah: I don't know what to do

Brian: and I don't know what to do

Debelah: baby baby baby

Brian: I'm still in love with you, still in love with you, but right now

Debelah: Right now

Brian: I'm still

Debelah: I'm in love, I'm in love with you baby

I'm still in love

My mind is so crazy, hazy

I'm still in love with you
