Title: Streets of San Francisco

download from: <http://www.lyricsdisc.com>

Take a chance, take a chance I got a chance
No talking about romance
Talking about something other than the birds and bees
Talk about things that were not meant to be
Talk about the past, history will tell you
If you don't want to listen then I will not compel you to
Sure you know but I'm still telling you
Check the situation before you go on through
I want to go to San Francisco
I want to go to San Francisco
(repeat)
Frisco craze in a wild time haze
Frisco feeling on the streets they're dealing
Hitting on something ain't never stopping
Streets are no go in San Francisco
Crazy days in a wild time haze
Crazy feeling in a wild time haze
(repeat)
I want to go to San Francisco
I want to go to San Francisco
(repeat to end)
