Title: Strong enough

download from: <http://www.lyricsdisc.com>

Are you strong enough

When you pray - pray to lord
try to find your way
play the game of love
pray to lord above
try to find a way to stay

Are you strong enough
to get your own way
Are you strong enough
to make your way
Are you strong enough

When you leave - leave for Good
stay alive - knock on wood
play game of love
pray to lord above
try to find a way to stay

Are you strong enough
to get your own way
Are you strong enough
to make your way
Are you strong enough
