

Everytime i look at you
And everytime you say you do
I can't believe it baby
My love is stronger than words

I have this feeling inside me
So deep, so honest and so true
I need you here beside me
So I can keep on loving you

With every breath you take
Feels like I'm living in a dream
You take my hand and say
Baby be with me

Everytime I look at you
Everytime you say you do
I can't believe it my love is
Stronger than words can say
Everytime I look at you
Everytime you say you do
I promise you my love is
Stronger than words
Stronger than words can say

Don't want to fight this feeling
This feeling growing deep inside
It's the rythm of two hearts beating
When we're standing
On the edge of time
You're everything I want
You make me laugh
When I'm feeling down
You take my hand and say
Baby be with me

Everytime I look at you
Everytime you say you do
I can't believe it my love is
Stronger than words can say
Everytime I look at you
Everytime you say you do
I promise you my love is
Stronger than words
Stronger than words can say

In your eyes, I have seen
All my dreams come true
Everything you hide inside
No wonder why
I'm so in love with you

Everytime I look at you
Everytime you say you do
I can't believe it baby, my love is
Stronger than words can say
Everytime I

Everytime I look at you
Everytime you say you do
I can't believe it my love is
Stronger than words can say
Everytime I look at you
Everytime you say you do
I promise you my love is
Stronger than words
Stronger than words can say
