Title: Success Is Revenge

---

This cardboard box host the greatest hits  
Of my rejection - spontaneity amongst my cracks  
And my imperfections - I meant them all  
Well I guess that I thought I did  
And I'd take it all back if I only knew where to begin  
It's coming around it is coming back again  
So now what is my damage to inflect upon them  
All haste all tactics you're flawed if not plastic  
Success is revenge and I'll show you what some haste did

Success is revenge with success I avenge  
And I recommend you churn some  
Achieve with haste

you want to open me up so you can shit in me again  
You'll never open me up you'll never fuck with me again  
The noun projective is the people's cure  
Who oneself is and how one deals with it  
Cannot always be justified  
Someone beaten right is beaten by me  
Praise for mention  
I move on, passing it on
