

Sugar Rush

I get a high whenever you're around
Sweeping from head to my toes
I, I gotta get my feet back on the ground

'Cause you make me go
Out of my way (out of my way)
Crossing the line (crossing the line)
Making me say what I have in mind

You make me so excited
And I don't wanna fight it
I start to blush
You are my sugar rush
Ain't nothing better, baby
Is it for real or maybe?
I start to blush
You are my sugar rush

I got a sweet tooth
And a taste for you
And it might be too obvious but
I (I) I can't help myself from what I do

'Cause you make me go
Out of my way (out of my way)
Crossing the line (crossing the line)
Making me say what I have in mind

(You make) you make me so excited
And I don't wanna fight it
I start to blush
You are my sugar rush
Ain't nothing better, baby
Is it for real or maybe?
(You are) I start to blush
You are my sugar rush

Baby you're my sugar rush
I get weak and talk too much
You're the sweetest thing I ever tasted
Baby you're my sugar rush
I get weak and talk too much

'Cause you make me go
Out of my way (out of my way)
Crossing the line (crossing the line)
Making me say what I have in mind

(You make) you make me so excited
(I don't) and I don't wanna fight it
(You are) I start to blush
You are my sugar rush
(It ain't) ain't nothing better, baby
(For real) is it for real or maybe?
(You are) I start to blush
You are my sugar rush

(You make) baby you're my sugar rush
(I don't) I get weak and talk too much
(You are) you're the sweetest thing I ever tasted
(It ain't) baby you're my sugar rush
(For real) I get weak and talk too much
(You are)

You are my sugar rush
