

I want to get away from these dreams
I want to get away from this town
I'm sorry!
I want to be free from you,
You are chewing gum in my hair
you always walk with me.

You can't banish the pain
You can't help me now
I have to move on
to a new beginning
I can't stop
I'm the lightest man of Finland.

I have burned my bridges
I have let you down
Too often
I don't want to see you again
I don't ever want to come back
Forgive me

You can't banish the pain
You can't help me now
I have to move on
to a new beginning
I can't stop
I'm the lightest man of Finland.
