

Enter in the dance-plug it in and we begin  
Crowd up in the center, they watch the \*\*\*  
Watch the way we drop it in a mix timein  
Rise and amplify and when we comin with the swing

Just follow up in the back, naturally 'armonizing  
Rhyiming to position with symphonizing  
Live from out the ghetto with maximizing  
Song that the groove armada with superstylin  
With superstylin  
With superstylin

Sometime can you feel the pressure, drink some wine  
Sometime  
Sometime through the day and through the night  
Sometime  
Sometime you can make the pressure to unwind  
Sometime  
Sometime it's for your spirit and your mind  
Sometime

That's how we drop it on the off on the line  
One time lyrics that might stick on your mind  
Propa this line and for propa and prop-I  
My MC's super RaggaDappa on the rhyme
