(Music: F. Ferber; Lyrics: Marta Jandová)

I never really knew before What you expected from me Standing on a cliff Looking down at your face Maybe I should try to talk about it with you But now , it's too much I'm packing

No way I'll never be your sweet princess

I can't even talk to you You've been stealing my words Telling me all the time What I've been doing wrong Forget my life, forget that I'm living In the same town I don't wanna hear

No way I'll never be your sweet princess
