Be Careful When You Walk Along  
The Edge of the Water  
Be Careful You Don't Slip  
And Lose Yourself  
Cuz I Don't Think You Can Swim  
I Know That You Can't Swim  
You're Drowning From Within  
Be Careful You're Not  
Listening Too Much  
Be Careful Not to Try  
And See What You Can't Touch  
Cuz I Don't Think You Can Dream  
Of Things As They Shoud Be  
You're Dying From Within
