

Tie your trash up high
Its return of the swine
A pork chop with an attitude
That's it!
With a shit eating smile
& A combined IQ of 9
With only hunger on it's mind
It starts to drool
Swine, Swine
It's around fuckin all the time
With only hunger on it's mind
& A combined IQ of 9
Its return of the swine
No pets allowed at all
Everything that they suck & smell
Anything that keeps them well
Better off in a dog food can for sale
Hear the whine, whine, whine
