Title: Swingset

download from: <http://www.lyricsdisc.com>

it dawned on me that you are not able
to get up off the floor
if up to me i would have brought this up before
but only after can i see clearly
that things have gone amiss
if i had returned it would not have ended up like this
up in the air, falling down empty handed
while unaware of the ground where you landed
"don't follow me and you'll be doing fine,"
just don
