

Why do I enjoy such images?
Why do they bring me joy?
Perhaps I am truly demented,
Degenerate and deranged..

A worthless pig
Stained with piss,
Stained with semen
Saliva and mucus
Why does it thrill me?
This immoral scenario
Morbid curiosity?
Or deep-seeded lust..

Why does this fulfill me?
Barbaric, animal instinct?
How many other share these thoughts?
Why do I, desire the same?

A worthless pig
Stained with piss,
Stained with semen
Saliva and mucus
Why does it thrill me?
This immoral scenario
Morbid curiosity?
Or deep-seeded lust..

Lust of sickness, fisting
Vomit and feces
Amputees, lolita teens
Why does it excite me?
Wonder what her mother would say
If she saw her little girl
getting gagfucked beyond belief
Complete humiliation!

Such corruption yet
Still deeply excites me
Why do I wish to act like this?
To act on my desires
Even if it is...
Directed at loved ones
UNCONTROLLABLE!

Facial humiliation
The disgusting art of bukkake
A cum funnel..
A dunce doused with DNA
A filthy willing spermbank
What could be on this whore's mind?
Can she possibly enjoy this?
I guess it's not all that impossible
Considering that I enjoyed watching it
You might even say I loved it!

Why am I attracted to these immoral scenarios?
To witness human depravity at it's lowest!
To see how low they will go...
To see how low I will go!
