

talkin:

yo what's up sweetheart
how you doin
look
i know your man aint been treatin you right
but i need you to give me a chance
and i can make it better
you know what i mean
listen

verse 1:

you keep tellin me how your man just aint been treatin you right
baby i can see the emotions that your always tryna hide yeah
all you do is fuss and fight
everyday and every night
and i'll tell you he's no good for you
but girl i wanna do
all the things to you your man won't do
cuz i know just what your sayin

chours:

i know what your sayin
i know what your lookin for in love
i won't play no games
i'll be your everythang
so take a chance on us baby
i'll take your breath away
every time that we make love
baby can't you see
i will set you free
so take a chance on us
it could lead to love

talkin:

look ma
all i wanna do is be with you
can that happen
listen

verse 2:

girl i know that he hasn't been the man to show you true love
so lets forget about the past and let me start to be the man that you been dreamin of
i don't wanna fuss
i don't wanna fight
let me show you that i can make it right
so take a chance on us
cuz it could be true love
put it on everythang

chours:

i know what your sayin
i know what your lookin for in love
i won't play no games
i'll be your everythang
so take a chance on us baby
i'll take your breath away
every time that we make love
baby can't you see
i will set you free
so take a chance on us
it could lead to love

bridge:

girl i'll be more
more than you ever dreamed of
more kissin more huggin more love
more quality time for you and i
girl won't you take a chance on us

chours:

i know what your sayin
i know what your lookin for in love
i won't play no games
i'll be your everythang
so take a chance on us baby

i'll take your breath away
every time that we make love
baby can't you see
i will set you free
so take a chance on us
it could lead to love

bridge 2:

said i know
what you sayin
and i know
what your lookin for
ghetto love
cuz i love you girl
and i need you girl
believe me girl

chours:

i know what your sayin
i know what your lookin for in love
i won't play no games
i'll be your everythang
so take a chance on us baby
i'll take your breath away
every time that we make love
baby can't you see
i will set you free
so take a chance on us
it could lead to love
