It's so fucked I am here doing this  
it's bullshit, things don't end like this

I'm calling  
Staring into the place  
Where I cease to exist  
wondering why do,  
Things always end up like this

Fly  
take to the sky another dream  
of empty  
Lies  
of promises denied by a forgiving  
you fuckin'  
Fraud  
my belief was betrayed I lost my  
faith in you  
Try  
to understand the sorrow and the  
Why  
of a light that should still be burning  
Bright  
the angel in flight with a dog by his  
Side  
when you took him away I lost my faith  
in even you!

As I feel emptiness growing in my heart  
I can't help but scream at you hating you  
I bet you think it's funny  
You give us a gift and then you take it back
