Title: Take Me Away

download from: <http://www.lyricsdisc.com>

This day what I want is you
There is no one else
Who can take your place
This day You burned me with your ways
You see past all the lies
You take it all away

I've seen it all and it's never enough
what keeps leaving me needing you

Take me away
Take me away
I've got nothing left to say
Just take me away

I try to make my way to you
But still I feel so lost
I don't know what to say
What else to do

I've seen it all and it's never enough
It keeps leaving me needing you

Take me away
Take me away
I've got nothing left to say
Just take me away

Don't give up on me yet
Don't forget who I am
I know I'm not there yet
But don't let me stay here alone

This day what I want is you
there is no one else
who can take your place
I've seen enough and it's never enough
It keeps leaving me needing you

Take me away
Take me away
I've got nothing left to say
Just take me away

Take me away
Take me away
I've got nothing left to say
Just take me away
