I am full of regrets
For all the things that I've done and said
And I don't know if it'll ever be ok to show
My face around here
Sometimes I wonder if I disappear

Would you ever turn your head and look
See if I'm gone
Cause I fear

There is nothing left to say to you
That you wanna hear
That you wanna know
I think I should go
The things I've done are way too shameful

Your just an innocent
Helpless victim of a spiders web
And I
