Only while nation,
Only while groove,
Why would they people move.
Only while vison,
Only while beat,
While do the people need.

If you want me,get ready to dance.
And this your arms and buying the sky.
Join the party,goes this year to chance.
To live this magic techno romance.

Only while nation,
Only while groove,
Why would they people move.
Only while vison,
Only while beat,
While do the people need.

If you want me,get ready to dance.
And lift your arms upon in the sky.
Join the party,goes this year to chance.
To live this magic techno romance.

I wanna live my life,
I wanna get it right.
I wanna dance in your rise, and this is my life.
I wanna live my life,
I wanna get it right.
I wanna dance in your rise, and this is my life tonight.
