Title: Tell Her Tonight

---

I only watched her walk, but she saw it  
I only heard her talk, but she saw it  
I only touched her lips, but she saw it  
I only kissed her lips, but she saw it

Gonna have to tell her tonight (x4)

She only blinked her eyes, but I saw it  
She only swung her hair, but I saw it  
She only shook her hips, but I saw it  
She only licked her lips, but I saw it

Gonna have to tell her tonight (x4)

Hey, I'll could tell her, you tell her tonight, yeah  
I'll have to tell her, you tell her tonight, yeah  
I'll have to tell her, you tell her tonight, yeah  
I'll have to tell her, you tell her tonight

I only watched her walk, but she saw it  
I only heard her talk, but she saw it  
I only touched her hips, but she saw it  
I only kissed her lips, but she saw it

Gonna have to tell her tonight (x4)

Hey, I'll have to tell her, you tell her tonight, yeah  
You have to tell her, you tell her tonight, yeah  
You have to tell her, you tell her tonight, oh yeah!
