

Didn't expect any of this
But it's really nice,
Didn't want you to cause a fuss
But it feels alright.

So thank you very much,
It's really nice to know
That you enjoyed the show
And I want you to know when to go,
'Cause this should be a thrill,
But it feels like a drill,
Now you must let me go, let me go...

I just imagine that I'm you
And there's nothing, nothing, nothing I can do,
I just imagine that I'm you
And there's nothing, nothing, nothing I can do,
I just imagine that I'm you
And there's nothing, nothing, nothing I can do,
I just imagine that I'm you
And there's nothing, nothing, nothing I can do.

I remember what was it was like
And it was really nice,
Never thought I would experience this from the other side.

So thank you very much,
It's really nice to know
That you enjoyed the show
And I want you to know when to go,
'Cause this should be a thrill,
But it feels like a drill,
Now you must let me go, let me go...

I just imagine that I'm you
And there's nothing, nothing, nothing I can do,
I just imagine that I'm you
And there's nothing, nothing, nothing I can do,
I just imagine that I'm you
And there's nothing, nothing, nothing I can do,
I just imagine that I'm you
And there's nothing, nothing, nothing I can do.
