---

These hungry rappers battle for a buck and some change  
There really be kids starving / give a f\_\_\_ if it change  
Shock rap / Not that / you get signed you might blow up  
Release "Party In Iraq" / you might blow up  
I see you trying to think a few lines you might get at me with  
Slap happy with babies who`re born with crack in their cribs  
Too much to cram under your oversized fitted  
And the public school system failed you /  
either you`re ignorant or...]
