Baroshekar aador meke  
Bheshe elam sagor theke  
Baleer toteh notun disha

Adar theke alor mesha  
Batash bhara bhalo basha  
Ke kandare baicho toree aral theke

(Something) caressed with love  
I drifted ashore from the sea  
The sand shows a new way

The light blends with the darkness  
The wind is full of love  
Who are you boatman who paddles this boat, whom i cannot see
