Title: THE CHAD WHO LOVED ME

download from: <http://www.lyricsdisc.com>

It will all come crashing down
My desperate icon
You've got a gob on
My desperate icon
It will all come crashing in
My desperate icon
You've got a gob on
My desperate icon

Am I a god
Am I Jesus
Am I a man
Or am I a boy
Do I feel love
Or just possession
Do I feel holy
Or nothing at all

You can't deny
That your shit just tastes as sweet as mine
Sweet Jesus
