Title: The Explorer

download from: <http://www.lyricsdisc.com>

It is an age of fear and loathing
Forces of evil swept the land
But one venturesome man refuses to participate in this new destructive way of life
He leaves in a quest for higher ground for those, who have suffered enough
The people called him : "The Explorer"

Exploratori credimus, exploratorem sequimur
Exploratori credimus, exploratorem salutamus
