suicide.
And how my gallow sinks
of black dye.
And how my death march brings
a tear to your eye.
And how the noose it swings

what is your price, what is the price?

And how my heart it splits,
when you dumb my eyes
And how my gallow sinks,
of red dye.
Oh how the noose it smiles,
when you lie
And how my womb it licks,
when you dig deep inside.

What a surprise oh what a surprise,
what is the price, what is the price?
What a surprise oh what a surprise,
what is your price, what is the price?

Do you do it, oh yeah
Do you feed it, oh yeah yeah
Do you sell it, oh yeah
Do you need it, oh yeah

how they hang
How they hang like a guillotine blade in the sun.
Like a blade, in the sun
Like a blade.

What a surprise, oh woah what a surprise
what a surprise, whoa oh what a surprise
What a surprise, oh woah what is the price, what is the price?
Woah woah what a surprise, emm
