

Please explain a couple of things to me
How could you leave and then turn your back on me
if only we said goodbye, maybe then i would respect my life
in the end i am so ashamed of what you did
(why) you said that you would never leave,i didnt even see you go
(why) you just up and turned your back on me,for reasons I will never know
(why) now i am starring at an empty space,its the place that you used to be
(why) and the look you see upon my face,is the gift from you to me
a haunting pain inside that lingers over me
this is not the way its supposed to be if only we said goodbye maybe then i would respect my life,in the end and im so ashamed of what you did
(why) you said that you would never leave,i didnt even see you go
(why) you just up and turned your back on me,for reasons I will never know
(why) now i am starring at an empty space, its the place that you used to be
(why) and the look you see upon my face,is the gift from you to me
you made me what i am you made me what i am
you made me what i am you made me what i am
(why) you said that you would never leave,i didnt even see you go
(why) you just up and turned your back on me,for reasons I will never know
(why) now i am starring at an empty space,its the place that you used to be
(why) and the look you see upon my face
is the gift from you to me
