

VERSE 1

The greybeard and the hag were lying, pulling and they couldn't get the root up.
But if they'd had Oneball here, they'd get the root up.
And Oneball came and Oneball pulled,
Oneball and the greybeard and the old hag were pulling,
and couldn't get the root up.

VERSE 2

The greybeard and the old hag were pulling, but they couldn't get the root up.
But if they'd had Twoball here, they'd get the root up.
And Twoball came and Twoball pulled,
Oneball and Twoball, the greybeard and the old hag were pulling,
and couldn't get the root up.
