"The High Road"

Oh
Yeah Yeah
Oh

I gave you my heart
I gave you my soul
I gave everything that I had
But ya left me in the cold

But still I have faith
Somehow I believe
That if I keep love in my heart
It will find it's way to me

I could fight
Seek revenge
But that's not who I am
No I'm not givin in
I will rise above

I'm gonna keep walkin
Though it may seem far
I'm gonna keep reachin
when life gets too hard
Not gonna let you bring me down
I'll take The High Road

I'm gonna keep climbin
Till I see the top
I'm gonna keep tryin
Though I may get lost
Not gonna let you bring me down
I
